

Fall 2024 Art Supply List

ART 150: Art Foundations: 2-D Design and Color

Prof. Graham

Hardware:

- A computer (MAC or PC). It must be able to run the Adobe Suite or similar software.
- A mouse for your computer. A mouse is important when using Illustrator! It makes using the tools in Illustrator so much easier.

Software:

- The Adobe Suite (Illustrator) for the semester. This is free and info should be sent directly to you from Adobe prior to the beginning of this course.

Supplies:

- Flash drive for extra storage.
- Notebook (9 x 12" sketchbook or similar already in use is OK as long as blank sheets are available).
- H pencil or lighter (for marking placement of work before gluing).
- T-square or metal ruler.
- Rubber cement.
- X-acto knife & Blades.
- Self-healing cutting board, at least 12 x 18".
- Storage container for materials (Art Bin).
- 7 pieces of white illustration board 15 x 20".
- A variety of synthetic brushes in small-medium sizes (square and angled are important)
- Palette knife.
- Roll of Scotch Brand removable magic tape (3M time #811) Note: be sure to purchase the removable version of this tape. Regular magic tape will not work.

Paint:

- Liquitex Heavy Body Acrylics Classic Set of 12 (available online at Blick or at Laker Store)
-OR-
- Purchase 2 oz tubes of each of these colors in either Liquitex or Golden Heavy Body Paint
 - Cadmium Yellow Light Cadmium Yellow Medium Cadmium Red Light Alizarin Crimson Ultramarine Blue Phthalo Blue Titanium White.
