

MATERIALS LIST

Art 150: 2D Design & Color

Instructor: Miranda Graham

Most supplies can be purchased at the [Laker Store](#) on campus, or at an online art supplier like [BLICK Art Materials](#), [Utrecht](#), or [Jerry's Artarama](#). Also, feel free to access GR stores like Service Reproduction, Michael's or Hobby Lobby in a pinch.

- Hardware: A computer (MAC or PC). It must be able to run the Adobe Suite or similar software
- A mouse for your computer. A mouse is important when using Illustrator! It makes using the tools in Illustrator *so much* easier.
- Software: The [Adobe Suite](#) (Illustrator) for the semester. This is free and info should be sent directly to you from Adobe prior to the beginning of this course
- Flash drive for extra storage
- * Notebook (9 x 12" sketchbook or similar already in use is OK as long as blank sheets are available)
- * H pencil or lighter (for marking placement of work before gluing)
- * T-square or metal ruler
- * Rubber cement or glue stick
- * X-acto knife & Blades
- * Self-healing cutting board, at least 12 x 18"
- * Storage container for materials (Art Bin) or of your choosing
- 7 pieces of white illustration board 15 x 20"
- A variety of synthetic brushes in small-medium sizes (square and angled are important)
- Palette knife
- Roll of Scotch Brand removable magic tape (3M time #811)

Note: be sure to purchase the *removable* version of this tape. Regular magic tape will not work.

- **Paint:**

Purchase 2 oz tubes of each of these colors *in either Liquitex or Golden Heavy Body*

Paint:

Cadmium Yellow Light

Ultramarine Blue

Cadmium Yellow Medium

Phthalo Blue

Cadmium Red Light

Titanium White

Alizarin Crimson

Note: Please purchase one of these specific brands of paint. I know that it is more expensive than some other brands, but the quality will make it easier to execute your projects well, and there is *lots* of variation between different brands of paint.

- Water container (yogurt cup?, vessel of your choosing)
- Roll of paper towels
- Plastic palette

*these items are used in multiple VMA classes
