

MATERIALS

This may seem like a lot, but know this is a one-time investment and these same materials are used in other courses like all future drawing courses (drawing 2, life, intermediate, and advance), Illustration and Print making courses, sketching out ideas for your 3D studios, gifts for family and friends, and just for fun.

The following materials are required:

<p>One 18" x 24" newsprint pad of paper</p>	
<p>One 18" x 24" or 19" x 26" white drawing pad (65lbs or greater)</p> <p>Examples ---→</p>	  <p>Alt Text: A yellow sign with black text</p>
<p>6 sheets of RIVES BFK White 22X30 Available to purchase at GVSU bookstore, Service Reproduction, or online.</p>	
<p>Large Art Bin or tackle box (like fishing or tool box)</p> <p><i>These are pretty common at Meijers, thrift stores, online, etc.. Essentially you want something to organize your various course materials</i></p> <p>Examples ---→</p>	
<p>Drawing board</p> <p><i>This does not have to be a commercial product. A smooth surfaced board like Luan or plywood and bulldog clips works just as well. Try places like Home Depot, Menards, and Lowes.</i></p>	

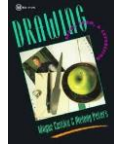

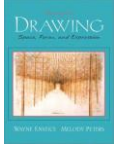

<p>Large portfolio case (24"X36" or preferably larger) <i>These can be purchased at most any art supply store or online. Or make your own with some cardboard, glue, duct tape, contact paper, material etc.. you want a good strap and water resistance – you can find examples online.</i> Examples ---→</p>	
<p>Prang charcoal pencils (hard, medium, soft, and extra soft) – it has string. <i>There are wood pencils, and they'll be fine, but they require frequent sharpening</i></p>	
<p>Graphite pencils (6B, 4B, 2B, HB, 2H, 4H) -- Also available in expanded sets</p>	
<p>Small <u>Staedtler</u> white Mars plastic eraser</p>	
<p>Small/fine white CLICK eraser also called a mechanical eraser <i>Pick up some refill too</i> Examples ---→</p>	
<p>One large vine charcoal sticks (6" long and as round and thick as your finger) – medium or soft. DO NOT pick up compressed charcoal</p>	
<p>Kneaded eraser – use only with graphite <i>Many companies make these and if you like to fidget, this is your best friend.</i></p>	

<p>Roll of 1" Blue painters tape There are better draftsman tapes, but are more expensive. <i>We use these for borders, holding paper down, marking places, etc..</i></p>	
<p>LED Light Bulb 120+ watt equivalent (18 – 25watts) <i>I require 3000k(warm)– 3500k (neutral and best) temperature bulbs. These are the best for color, comfort, and avoiding eye strain.</i> Examples ---→</p>	
<p>A lamp that is movable/adjustable and will fit your lightbulb <i>Check thriftstores, Meijers, office supplies, online</i> Examples ---→</p>	
<p>One can of Aqua Net Extra Super Hold hair spray in the purple can (this is a cheap, low-odor fixative). Do not use indoors, use outside or a spray booth (Sculpture and...) <i>There are better easier to use products</i> Examples ---→</p>	
<p>Still life props will be explained in project handouts</p>	

- There are more materials needed to be purchased in this course; they will be specified a day or two before the session they will be used. In addition, all out-o-class assignments will be done on quality paper that will be specified at the time the project is given.

Text: The following texts are *recommended/optional* and may be purchased online. This is really helpful to further explain and demonstrate great examples of our course subject matter.

Drawing: Space, Form, & Expression (any used edition), Wayne Enstice & Melody Peters. Prentice Hall, Inc, ISBN 0-1d3-304643-5

these can be purchased online.

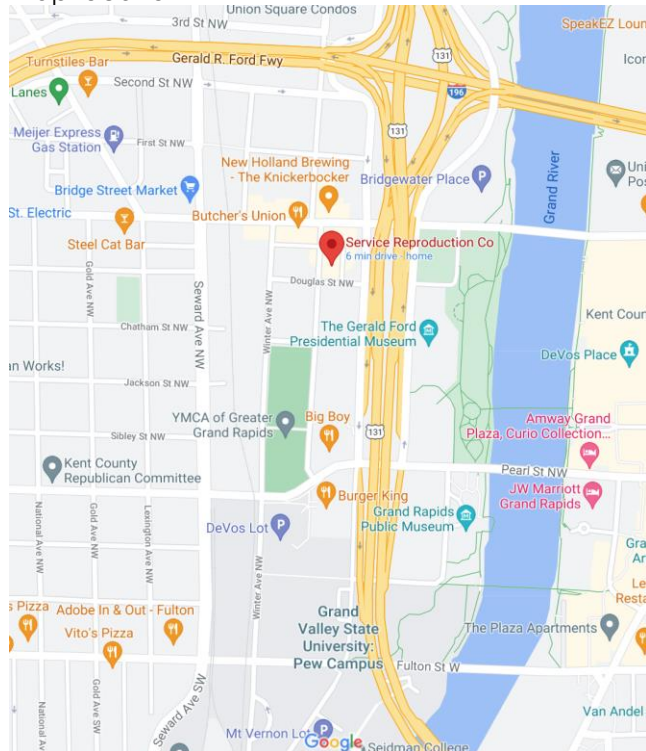

These majority of the drawing materials can be purchased at the University book store on the Allendale campus.

Most may also be purchased at Micheals and other local art suppliers.

Service Reproduction has a great variety of supplies and student discounts.
